

Dear Clara Hughes Community,

As we approach the end of the school year, some of you may have questions about the DDSB technology devices that are loaned to students. The DDSB has created the following resource to help answer any questions that may arise for those students who currently have DDSB technology devices loaned to them.

Students Returning to the DDSB this Fall

For students who are returning to the DDSB in the fall, DDSB Chromebooks will remain with students for the summer. Please read the [Summer Procedures for Chromebooks](#) for more information on what your responsibilities are, if you are moving to another DDSB school, what to do if you have technical difficulties and for important reminders.

Students Leaving the DDSB

If your child will not be returning to the DDSB this fall, please contact your school to make arrangements to return any DDSB Technology (eg. Chromebook and charger) that your child has been provided.

Your child may wish to take their Google Drive and/or Microsoft OneDrive files with them. Instructions for migrating those files can be found here: [Migrating DDSB Cloud Accounts to Personal Storage](#).

****Students who are leaving the DDSB must migrate Google Drive and Microsoft OneDrive files they wish to retain by June 30th, 2021****

The raid sparked a riot among bar patrons and neighborhood residents as police roughly hauled employees and patrons out of the bar, leading to six days of protests and violent clashes with law enforcement outside the bar on Christopher Street, in neighboring streets and in nearby Christopher Park.
